## BRIEF SUMMARY

Eager Java aficionado and coding maestro, adept at employing cutting-edge techniques and algorithms to conquer challenges. A skilled problem solver and multitasker, relentlessly mastering new tech daily. Thrives on connecting with fellow tech enthusiasts, tackling real-world industry puzzles, and propelling enduring success. Let's code together for a tech-driven tomorrow.

## KEY EXPERTISE

Java React.js HTML5 CSS Javascript Next.js Tailwind Git Github MySQL API OOPs DBMS  
Data Structures Algorithms Leadership Skills Communication Skills

## EDUCATION

<b>Medi-Caps University</b> B.Tech. - Computer Science & Engineering   CGPA: 8.31 / 10.00	2020 - 2024
<b>Standard Public School, Indore</b> 12 <sup>th</sup>   CBSE   Percentage: 85.00 / 100.00	2020
<b>Standard Public School, Indore</b> 10 <sup>th</sup>   CBSE   Percentage: 68.00 / 100.00	2018

## AWARDS AND SCHOLARSHIPS

- Best Prefect of Standard Public School Indore 2020

## PROFESSIONAL EXPERIENCE

<b>Bookzy Edify Pvt. Ltd.</b>   Education Front End Developer <b>Key Skills:</b> React.js HTML5 CSS Bootstrap Tailwind CSS Next.js Material UI MongoDB NextUI UI Development UX Built dashboard application for their new venture called Pustakaalay, which will focus on transforming the physical libraries into digital ones i.e. bringing digitization to the libraries. Also made some cool IQ based games for students enrolled via school on Pustakaalay.	07 Jun, 2023 - 08 Oct, 2023
---	-----------------------------

## INTERNSHIPS

<b>Webalar Website Developers &amp; Services (OPC) Pvt. Ltd</b> Junior Developer Intern <b>Key Skills:</b> React.js Next.js HTML5 CSS Bootstrap Figma Javascript Worked on one of their client-based projects: Mind Sphere Psychology, which is an organization for various types of counselling. Also worked on SEO optimization for the client projects and audited the Webalar's website for better future performance.	01 Jun, 2023 - 15 Jul, 2023
<b>Bizwit Research &amp; Consulting LLP</b> Web Developer Intern <b>Key Skills:</b> HTML5 CSS Bootstrap Javascript WordPress Worked on their venture's website, I Am Safe at Work and also got the opportunity to learn WordPress and various themes of it. Major technical stack was HTML, CSS & JS with CSS frameworks like Bootstrap.	04 Jan, 2023 - 31 Jan, 2023
<b>Webalar Website Developers &amp; Services (OPC) Pvt. Ltd</b> Web Developer Intern <b>Key Skills:</b> HTML5 CSS Javascript Bootstrap During my internship, I undertook a client-centric project, the "Insane Web Studio Website," where I harnessed HTML5, CSS3, JavaScript, and Bootstrap. My role encompassed crafting an intuitive user interface, enhancing functionality, and ensuring responsive design. This experience enriched my proficiency in front-end technologies, enabling me to contribute effectively to dynamic web solutions.	06 Jul, 2022 - 19 Oct, 2022

## PROJECTS

### Nobel App

16 Nov, 2023 - 01 Dec, 2023

**Key Skills:** React.js Javascript API CSS Tailwind Material UI

**Project Link:** <https://github.com/Atharv-110/flipr-frontend-nobel-prize-app>

The "Nobel App" retrieves data about all Nobel Prize winners together with year, category and laureates' names from the Nobel Prize Winners API in a Tabular Form.

Features:

- [1.] Load More Rows: This will not load all the data at once, only 10 rows at once will load and we can load more rows through Load More Rows Button
- [2.] Fully Mobile Responsive.
- [3.] > 1 Button in Mobile View: This will showcase the people who have won Nobel Prize more than once.
- [4.] Minimal UI for better User Experience. UI inspiration: <https://flipr.ai/>
- [5.] Handled the missing values through logic, e.g.: There were many Laureates with only First name and no Surname. It was showing undefined on the app so handled it via ternary operators.
- [6.] Implemented all the basic UI elements such as Navbar, Hero Section, Footer, Modal, etc.

### Promptify

01 Jul, 2023 - 21 Oct, 2023

**Mentor:** Prof. Sachin Solanki | **Team Size:** 1

**Key Skills:** Next.js MongoDB NextAuth.js Tailwind CSS Vercel Google Cloud Platform OpenAI API NextUI Mongoose

**Project Link:** <https://github.com/Atharv-110/Promptify>

This is a wide platform through which user can create, share, & discover prompts to make their AI tool journey easy and robust. Promptify gives user the minimalist and better experience with easy to use UI.

As an upgradation to the previous version Promptify will be showcased as a product where people will be guided about prompting & prompt engineering to write efficient and more accurate prompts through dedicated Prompt Engineering Course. Also there is an OpenAI API integration to ease up the sharing and testing of prompts through a feature called Playground. User won't have to shift to Chat GPT or Bard to try some cool prompts, they could try on our platform only.

More upgradations are being made to this project.

Note: This is not a social media platform to make friends but to easy everyone prompting experience

### File Vault

01 Jul, 2023 - 01 Aug, 2023

**Key Skills:** Java SMTP MySQL Maven JDBC

**Project Link:** <https://github.com/Atharv-110/File-Vault>

Java-powered command-line software, seamlessly tucking away and unveiling files with MySQL-backed security, while fortifying access through dynamic OTP email authentication. Your data, your control, in the heart of the vault.

### Summify | AI Summarizer

11 Jun, 2023 - 30 Jun, 2023

**Key Skills:** React.js Tailwind CSS Rapid API Redux Firebase CSS

**Project Link:** <https://github.com/Atharv-110/Summify>

Summify is a cutting-edge web application created to make it easier to quickly absorb lengthy articles and gain insightful knowledge. Users can easily create succinct and coherent summaries of articles using Summify by entering the article's link as input.

### Litopia Website

25 Dec, 2022 - 01 Feb, 2023

**Mentor:** Dr. Shipra Ahuja Joshi | **Team Size:** 4

**Key Skills:** React.js HTML5 CSS JSON Tailwind CSS Javascript Animation

**Project Link:** <https://github.com/Atharv-110/Litopia-Website>

"Litopia Website" was a dynamic live project aimed at generating leads for the prestigious literary fest of Medi-Caps University, held in February 2023. Constructed with React.js, HTML5, CSS3, Vanilla JavaScript, and Tailwind CSS, it seamlessly combined captivating design and user-friendly functionality. Leveraging Vercel for hosting, the website provided a compelling gateway for attendees, enhancing event engagement and participation.

## ACHIEVEMENTS

- 2nd Runner-up in Hackosphere Hackathon
- Postman API Fundamentals Student Expert
- AI-ML Virtual Internship Program Completion by AICTE
- Crash course on Python Certification by Google
- Responsive Web Design Certification by freeCodeCamp
- Virtual Developer Program Completion by Accenture
- Java & SQL Training Completion by TCR Innovation
- C/C++ & OOP Training Completion by Universal Informatics
- Certified Marketing Insider by LinkedIn

## ASSESSMENTS / CERTIFICATIONS

### Data Base Management System

Aggregate: 53.00 / 100.00

Key Skills: DBMS SQL

## SEMINARS / TRAININGS / WORKSHOPS

### AWS Academy Graduate - AWS Academy Cloud Architecting Institute Name: Medi-Caps University

13 Jul, 2023 - 10 Aug, 2023

Key Skills: AWS Cloud Services Cloud Computing

### AWS Academy Graduate - AWS Academy Cloud Foundations

13 Jul, 2023 - 10 Aug, 2023

Institute Name: Medi-Caps University

Key Skills: AWS Cloud Services Cloud Computing

### AWS Academy Graduate - AWS Academy Machine Learning Foundations

01 Dec, 2022 - 09 Jan, 2023

Institute Name: Medi-Caps University Indore

Key Skills: Machine Learning Artificial Intelligence Cloud Services Cloud Computing

## CO-CURRICULAR ACTIVITIES

- Core Team Member at Google Developer Groups Indore
- Technical Head at Google Developer Student Clubs Medi-Caps University Indore
- Core Team Member at Datacode.in Community
- President at Coding Society Community Indore
- Competitive Programming Executive at Codechef Medi-Caps Chapter

## EXTRA CURRICULAR ACTIVITIES

- Outreach Head at Sahityik - The Literary Club of Medi-Caps University Indore
- Lead Organizer of Litopia - Literature Fest of Medi-Caps University Indore

## PERSONAL INTERESTS / HOBBIES

- Reading
- Singing
- Writing Poems
- Basketball
- Volleyball
